Dear Mr. Hang,

Please allow me to introduce myself. My name is Dr. Sathya Silva, and I will be the US accredited representative for this accident. I have Boeing, FAA, and GE ready as technical advisors.

While we decide whether we will be able to travel to support you, GE has offered an engineer based in Beijing that can assist you, Mr. Hao Hu. Please advise if you would like his assistance, he is available to travel as soon as possible to the site upon your request.

Thank you,

Sathya S. Silva, Ph.D.
